

NGĀHINAPŌURI NEWSLETTER

Term 1 2024 Issue 3 Week 3

Principal's Message

Tena koutou Ngāhinapouri whānau,

Last Friday we had such a great day! It was fantastic to see our students working together in authentic Tuakana-Teina activities. Our senior students really stepped up as leaders and everyone went home feeling proud of all they achieved. House spirit is soaring!

I am looking forward to our Community Picnic tonight. We will have a number of sheets of paper set up around the school which we encourage you to write on and share your thoughts. We will be asking questions such as:

What learning areas do you consider the most important for your child?

What experiences or opportunities do you want your child to have?

What do you consider to be the important aspects of our "School Culture"

What enhancements would you like to see in our School?

Have a think and be ready to record your thoughts down!

Forms

Lately we have had to send out a number of permission forms and health forms. I am aware that this can cause "Form fatigue" however it is important to note that each of these forms are an essential part of our requirements and processes that allows us to take your children to events. When you offer parent help we are very grateful to you. Often this will mean having to fill out additional information in regards to your own health and medical requirements. Please note this needs only to be specific to the activities you will be engaging in, will be kept confidential and are vital in support of your wellbeing if there was an accident or medical emergency.

Nga mihi,
Mark

SPORTS NEWS

Football 2024 - REGISTER NOW!!

Hi everyone, I am Mark Carver, and I will be looking after the Ngahinapouri Sports football club this year. YES - It is that time of year again! Time to organise teams and coaches ready for the 2024 season which kicks off on the 4th May (At the start of Term 2) and runs to the end of August. We are looking forward to welcoming back last year's players and meeting new faces keen to have some fun with football this winter!

NEW PLAYERS, BOYS & GIRLS 5-13 YRS OLD ARE WELCOME!!

Our club includes players from Ngahinapouri, Te Pahu, Ohaupo, Rukuhia, Paterangi and Pirongia (but happy for anyone to play). Come and join us!

Please feel free to pass this on to anyone who is interested

Games are played on Saturday mornings at venues in and round Hamilton and the local area.

To get involved just register on-line via the My Comet site via the link below. If you get stuck, guidelines to using My Comet can be found [HERE](#). Note. If you had a MyComet account setup previously, please login using that. One change this year is where you had multiple kids registered under separate accounts, they will now all be under the one account (typically the account for your oldest child). If you have any issues, please drop me an email and I will look to help. Also, to make sure we know about your registration can you please flick an email to the club address and let us know who you have signed up.

We have competitions for all ages...

First Kicks	For players aged from 4 years old to those who have or will turn 6 years old during 2024. A great format to build skills and confidence for young players.
Fun Football	For players who have or will turn 7 or 8 years old during 2024.
Mini Football	For all players who have or will turn 9 during 2024 through to <u>12 and 13 year olds</u> in Year 8.
To register please click on the enclosed link Link to register for Ngahinapouri Football 2024 on MyComet	

PLEASE COMPLETE REGISTRATION ASAP OR BY 31 MARCH AT THE LATEST

We have endeavoured to keep the Fees as low as we can so for 2024, they will be **\$90 per child**. This includes use of a playing strip and club gear. You will not be asked to pay inside My Comet (it shows as \$0), please do this separately. When you have completed registration, please pay your fees at the same time to the following account:

Ngahinapouri Sports Group: 12 3134 0088558 00 (Use child's name and "Football" as reference.)

WE ALSO NEED COACHES AND MANAGERS! This is especially the case for the younger teams, so please consider helping out in these rewarding roles and let me know by email.

Finally, if you have any queries about the club or soccer, please feel free to contact me at the club's email, ngahinapourifootballclub@gmail.com. See you all soon,

Mark

O-G MATH TUITION STARTING FEB 2024

Orton-Gillingham (OG) is an approach to teaching reading, writing, and spelling that is based on the principles of multi-sensory, structured, and sequential learning. While OG was initially developed to help individuals with dyslexia learn to read and write, some educators have adapted the OG approach to teach math as well.

The goal of OG Academic Math is to help students develop a deep understanding of mathematical concepts and build their confidence and competence in Math.

How does OG Academic Math work?
