Term 1 Week 9 2025 Issue 9

Principal's Message

Tena koutou Ngāhinapouri Whanau,

Junior School shows their resilience

Today our junior school are having their beach experience and overnight camp! They are bravely taking on the elements as they head to Raglan as part of their Ocean Inquiry. The kids are absolutely buzzing and nothing, not even potentially torrential rain, will get them down! After what will no doubt be a series of life long core memories, the Year 1-3 students and their parents will then stay the night at "Ngāhinapouri School Holiday Park" Where once again, depending on the rain, they will sleep in tents or in the classrooms.

Isn't it fantastic that we have such dedicated teachers at our school who organize these types of experiences for their tamariki.

Winter Champs

Thank you to everyone who has jumped into the online form to register their children for Winter Champs this year. This is always a logistical challenge and to have our entries in quickly will be a huge support. From here we will be having trials in Week 1 of Term 2 to decide the teams and then we will have practices every Friday afternoon until the big day on the 6th of June.

Once again I wish to show our appreciation to the parents who have been able to offer their time as coaches and managers to our teams. We simply cannot provide our students with these opportunities without your support. Don't forget our amazing PTA will be once again running the food stall and will require your support either by running the till, as a professional sausage turner or through offering baked goods to sell. It takes a community effort to run this fantastic day and it really makes us shine as a school community once its done! I am looking forward to it.

Nga mihi,
Mark

New Zealand Traveller Declaration

Going overseas for the school holidays? Everyone travelling into New Zealand must complete a New Zealand Traveller Declaration, including returning New Zealand passport holders.

Its FREE and you can do it on the online form or on the NZTD app.

If you're travelling as a family or group and completing multiple declarations, the NZTD app allows you to copy your travel details into another declaration, making it easier to complete multiple declarations for the same journey. The submitted declarations are then all easy to see within the app.

The New Zealand Traveller Declaration collects travel, customs, immigration and biosecurity information and aims to improve the safety and security of New Zealand. It replaces the paper card you used to fill out on the plane.

To make your arrival easier, do your digital declaration before your flight back to New Zealand.
