

NGĀHINAPOURI NEWSLETTER

Term 4 Week 7 2025 Issue 26

Principal's Message

Tena koutou Ngāhinapouri Whanau,

How good was Cross Country on Tuesday?! We had an awesome afternoon out on the course. Our students really put our School Values to the forefront and showed great resilience while running in their races. I think what I was most proud of though, was the way our kids supported, encouraged and celebrated every runner. It was a special thing to witness and be part of and one of the ways our school culture absolutely shines through.

We are so grateful to the Ngāhinapouri Golf Course for their continued support of our school. We are very lucky to be able to use the golf course as our cross country track each year. We are sure we haven't left too many little foot shaped divots anywhere.

Well done Marika and Karine for all your hard work in organising the event, it was certainly a well run machine. Thank you as well to all the whanau who were able to come along and support the day. It definitely means a lot to us all to have so many people there cheering and encouraging, not just their own children, but all of our students!

All in all a wonderful Ngāhinapouri afternoon!

SPORTS NEWS

Our school's Cross was a great event, and it was heartwarming to see all the children showing resilience and pushing through to reach the finish line. A big congratulations to all the runners. Thanks to everyone who came to support our children, and also to the parents who helped with marshalling.

The entries for Lower Waipa Cross Country and our Year 7 and 8 Full Primary Cross Country have closed. We will be sending out more information to the children who have been entered in the next few days. We are very short on transport for Lower Waipa, so if you can help, please let us know. Also, if you are only transporting your child, please consider taking more children. If we cannot get enough transport, we will not be able to send a team.

What does the PTA do?

The PTA encourages a working relationship between the parents and the school staff to aid in the working of the classroom.

Brings parents/guardians, teachers and children together in social activities. Facilitation of the exchange of information between parents and teachers.

Raise funds to provide improved facilities or equipment for members of the school community.

What am I signing up to when joining the PTA?

The PTA runs different fundraising events for functions such as discos, sausage sizzles, raffles, and a lot more. As part of the PTA we require helpers to help with these fundraisers. We also hold meetings once a month during term time where you can attend if you wish but you may only choose to help with fundraising.

How much time is involved?

You can give as much or as little time as you like. You may only want to help out at one or two events or you may want to be more involved. Any amount of time that you can give is greatly appreciated.

Help us to make a real impact for our students, families, and the school community!
